TekLinks makes the BBJ's Top 100 List for a Second Consecutive Year

TekLinks, a regional IT services firm, based in Birmingham, AL, today announced it has made the Birmingham Business Journal's Top 100 List for a second consecutive year. Each year, The Birmingham Business Journal recognizes the top 100 privately held companies in the area. The list can be found on the Birmingham Business Journals website at:

TekLinks rounds out the 2009 list at number 69 increasing 12 spots from the previous year's position at 81.

"TekLinks is proud to be recognized as one of the top 100 privately held companies in the Birmingham area again this year," said Roy Gilbert, TekLinks Executive Vice-President. "We continue to grow despite the recession and we owe that to the dedication of our employees and to the quality of the services we offer our clients. Our cost-effective and efficient managed service solutions allow our clients to grow their business without incurring the normal hefty upfront capital expenses associated with adopting the required technology to support that growth...which is extremely beneficial to clients during this economic downturn."
