## TekLinks Named One of Birmingham's Best Places to Work

TekLinks a regional IT services firm, based in Birmingham, AL has been named one of Birmingham's 'Best Places to Work 2009' by *The Birmingham Business Journal*.

TekLinks is, a Cisco, Microsoft and Citrix Gold partner, with over 100 professionals in eight locations throughout Alabama, Mississippi, and North Florida. The firm also owns and operates a 5,600 square foot Data Center at their Birmingham, AL facility, a 2,000 square foot Data Center in their Hattiesburg, MS facility, as well as an additional Data Center in Jackson, MS to provide 24/7 Co-Location, Hosted, and Managed Services for their clients.

The Business Journal's annual Best Places to Work competition strives to find the top companies to work for in the Birmingham area, based on the results of an extensive survey that ranks companies based on their employee/manager relations, trust in management, internal communication, benefits and several other factors.

"At TekLinks, we believe to have a great company; you must have the right people in the right place and that work should be enjoyable and challenging", says Stuart Raburn, TekLinks President. "We provide our employees the tools, educational opportunities, training and encouragement to advance to the next level. The result is amazing work by remarkable people. We believe that TekLinks really is the best place to work."

Over 90 of the best local companies took the survey this year administered by Quantum Workplace. Only those with the highest scores in their size categories, such as TekLinks, are declared one of the Best Places to Work in Birmingham.

All 30 honorees were recognized at a Best Places to Work luncheon on September 10 where Hatton Smith was the guest speaker. Sponsors included Behavioral Health Systems, Johnston Barton Proctor and Rose, Sheraton Birmingham, BSHRM and Quantum Workplace.
