## **TekLinks Donates Technology to Help Provide a Hattiesburg, MS Family a New Home**

TekLinks, a regional IT services firm based in Birmingham, AL, proudly participated as a Gold Level Sponsor for the popular television *series ABC's Extreme Makeover: Home Edition* by donating laptop computers for the use of the show's staff, creating database programs to help coordinate the volunteer program, and donating the hosting of the volunteer coordination website.

"The Extreme Makeover project was a tremendous opportunity to see how a city and volunteers can benefit a family in need," said Terry Miller, TekLinks VP of Engineering Services. "The total project was amazing in itself but seeing a family that is in need benefit from it was the most rewarding part. TekLinks was honored to play a role in the effort."

The episode will air on **March 21, 2010** at 7 p.m. CST. For more information about the ABC's Extreme Makeover: Home Edition, visit <http://abc.go.com/shows/extreme-makeover-home-edition>.

TekLinks is a Cisco, Microsoft, and Citrix Gold partner, with over 100 professionals in eight locations throughout Alabama, Mississippi, and North Florida. The firm also owns and operates three data center locations in Birmingham, AL facility, Hattiesburg, MS, and Jackson, MS to provide 24/7 Co-Location, Hosted, and Managed Services for their clients.

### **About Extreme Makeover: Home Edition**

Each episode of this popular television series features a family that has faced some sort of recent or ongoing hardship. The show's producers coordinate with a local construction contractor, which then coordinates with various companies for a makeover of the family's home, including the interior, exterior and landscaping. Materials, labor, and support are donated.
